DELIVERIES

SELECTED PROJECTS

Chiller plant upgrade — Das Island

Client: ADNOC · 2024 · Offshore / remote island scope

✓ Won · Awarded

Award value **AED 1.61M** Bidders **5** Basis **Sole bidder with 3 comparable island deliveries**

Completed **Dec 2024**

Supply, installation and commissioning of packaged chillers with BMS-ready controls for ADNOC facilities on Das Island. Delivered under remote-logistics conditions with a 4-hour response SLA on breakdown cover.

★ Flagship reference project

District cooling servicing — DEWA, Jebel Ali

Client: DEWA · 2024

✓ Won

Award value **AED 0.98M** Bidders **6** Basis **Lowest compliant; ICV 72 cleared the 70 gate**

Completed **2024**

Preventive and reactive maintenance of district-cooling plant at Jebel Ali. Demonstrates DEWA-side compliance and a direct district-cooling reference.

HVAC maintenance — Yas Island villas

Client: Abu Dhabi Municipality · 2024

✓ Won · Ranked 1 of 7

Award value **AED 1.6M** Scope **Residential HVAC maintenance portfolio**

Retention **AED 160k held — releases through DLP**

Multi-unit residential HVAC maintenance across the Yas Island villa portfolio, ranked first of seven bidders on combined technical and ICV score.

Additional MEP references

DEWA Jebel Ali pump-station · Mussafah depot chiller servicing · Al Ain school retrofits

A broader portfolio of MEP and mechanical maintenance work across Abu Dhabi, Dubai and Al Ain supports the “3+ comparable deliveries in the last 5 years” requirement common to ADNOC-group tenders.
